Sub-Committee Mission

The Sub-Committee on Communications was formed to publish a biannual Committee newsletter, support the Committee web site, and to promote information exchange with other committees and groups interested in performance measurement. To this end.....

The following actions were completed since the 87th Annual Meeting:

- The sub-committee continues to maintain a viable semi-annual Newsletter for the Performance Measurement Committee (ABC30). Nine editions have been published since inception in December 2002, with the most recent published in July 07.
- The sub-committee has maintained “Committee Member” and “Friends of the Committee” list serve for the Performance Measurement Committee (ABC30). To get on the “*Friends list*” interested parties can sign up at this meeting or contact Sue Krabbe at skrabbe@cansys.com.
- The list of liaisons between this and other committees is attached. Volunteers are always needed and welcome.
- The Subcommittee continues content oversight and to varying degrees administration duties for both the TRB Performance Measurement Committee Sites. We have the following to report:

Concerning the TRB Performance Measurement Committee (ABC30) Website:

- The site is located at www.trb.performancemeasurement.org .
- This site continues to be hosted, and maintained by Cambridge Systematics led by Karen Collyer & Committee volunteer, Sue Krabbe - Cambridge Systematics.
- 2007 data on site usage was not available at this time. The site has averaged well over 10,000 hits over the past two years and we expect usage to be similar for 2007.
- Karen Collyer and the Cambridge Systematics IT group continued their duties registering and maintaining the web site domain name for the committee.
- The subcommittee has and will continue to post advertisements and presentation materials for performance related conferences. We are currently posting the following information:
 - The 2007 Summer Conference
 - The TRB’s 3rd National/1st International Performance Measurement Conference
 - The TRB ABC30 Action Plan
 - The TRB ABC30 Mission Statement
 - Papers and posters from the 2nd National Conference on Performance Measurement.
 - The latest TRB Performance Measurement Newsletter.
 - Meeting Minutes from the previous TRB Meetings.
 - Friends of the Committee contact information.
 - Committee member Contact information.
 - Bibliography of Performance Measurement related research.
- The TRB Performance Measurement Committee Home Page also features a secure **Web Board Discussion Tool** for committee members and registered friends to post comments and materials for private review and comment.

Concerning the Performance Measurement Exchange Site – FHWA

- The site is located at <http://knowledge.fhwa.dot.gov/cops/pm.nsf/Home>
- **Activities since the Annual TRB Meeting Meeting:**
 - The FHWA continues to sponsor this site.
 - The subcommittee continues to actively pursue the “Pledge Drive” concept that enlists transportation agencies to commit to posting performance measurement successes and challenges on the site at regular intervals.
 - The committee has aggressively recruited and trained new and existing discussion topic facilitators.
 - Dr. Joe Zeitsman and TTI staff continue to administrate and oversee this site.
